1982 UNIVERSITY OF MARYLAND SOCCER PREVIEW

The key word for the University of Maryland soccer team this season will be goals. " Our goal for the upcoming season is to score more goals and improve last year's W-L record, " says second year coach Joe Grimaldi. In his first year of college coaching Grimaldi guided the 1981 Terrapin booters to a 5-7-4 record (0-5-1 ACC), after a fifteen year coaching career at nearby Walter Johnson High School in Montgomery County where he compiled a 126-12-12 overall record.

As in the past, defense will be the Terps strongest suit this season. Junior goal keeper Ken Wilkerson, a 1st team All-ACC selection last season, leads the list of outstanding returners that should help a young Terrapin squad improve their 1981 record. The fullback line is headed by three solid performers, John Fink a junior from Trenton, N.J., Doug Howland a senior from Kensington, Md., and Glenn Singer, a sophomore from Silver Spring, Md. The halfback line, cited as " our biggest weakness " by coach Grimaldi, will feature many new faces with four incoming recruits all vying for a starting position. Heading the list of recruits are; Desmond Armstrong, a 1st team All-State, All-Met selection from Howard High School in Columbia, Md., Doug Southall and David Burke, from State Champ Oakland Mills High School and transfer Brett Stevens from Frostburg College. Seniors Moshe Goldfarb and co-captain Eddie Gauss will provide the Terps with experience and leadership at the striker positions, with depth being provided by junior college transfers Reza Mohseni and Vartez Minassain both of Prince George's Community College.

With only 10 lettermen returning from last year's team, coach Grimaldi's young squad will open up their 1982 schedule by hosting Catholic University in the 1st annual Maryland Invitational Tournament, that also includes Washington College and Delaware.

ATHLETIC DEPARTMENT ADMINISTRATION

RICHARD M. "DICK" DULL - Director of Athletics

Dick Dull begins his second year as Director of Athletics, bringing to the position a blend of experiences as an athlete, coach, athletic administrator and attorney. A graduate of the University of Maryland in 1967 with a bachelor of arts degree in political science, Dick entered the University of Maryland School of Law and was graduated in 1971 with a Doctor of Laws Degree. He subsequently passed the Maryland bar exam, and was admitted to the practice of law before the Court of Appeals of Maryland and the Federal District Court for the District of Maryland in 1972.

While attending Maryland as an undergraduate, the Gettysburg, Pennsylvania native lettered three years on the university's track and field team, and was an ACC, SEC-ACC meet, Penn Relay, Florida Relay and National Junior AAU champion in the javelin event. In 1967 he was eighth in both the NCAA and AAU national championships.

After four years of practicing law in Baltimore and Washington, D.C., Dull returned in 1975 to his first love, athletics, as the assistant business manager, later rising to the business manager and assistant to the athletic director positions. Dull was named Athletic Director in the summer of 1981, after serving one year as Assistant Athletic Director for non-revenue sports.

COL. TOM FIELDS - Executive Director of the Maryland Educational Foundation

Col. Fields, a former Maryland All-American distance runner took over his duties at Maryland in 1970 and the success of his program has been phenomenal. When Fields retired from the Marine Corps to take over the Educational Foundation, contributions to the scholarship fund totaled $30,000. For the fiscal year ending June 30, 1982, money generated totaled over $1,293,000.

Fields's energy and enthusiasm follow the patterns he established during a record breaking sports career at Maryland, as well as during 28 years of distinguished service in the Marine Corps. He enrolled at Maryland as a freshman track star in 1937 and went on to win six Southern Conference Championships, as well as All-American honors in 1940.

The work of Fields, with over 1,900 contributors, is imperative for the overall success of the Maryland athletic program. The contributions has not only enabled the Terrapins to regain their national prestige in just about every sport. The University has also instituted a scholarship program for women athletes on a par with the program the men's non-revenue sports.

UNIVERSITY OF MARYLAND

Today, the University of Maryland at College Park is described as a Georgian Colonial campus, with nearly 200 buildings spaced across a rolling 1,300 acre park-like setting. The College Park campus is a city of young people with all of the advantages, excitement and problems of a community. While the focus of the campus community is on its academic and intellectual activities, the campus has its own daily newspaper, its own police department, an 18 hole golf course, hotel, stores, movie house, theatre, art gallery pub, bowling alley, tennis courts and swimming pools.

An undergraduate student may specialize in one of 127 majors or create a program of individual studies.
